Shares issued under JVTA

Under the terms of the JVTA, Canyon has issued a total of 25 million Canyon shares to Altus in two tranches. In accordance with a voluntary escrow deed between Altus and Canyon, the Second Shares are subject to a 12 month voluntary escrow agreement from the date of issue. Altus currently holds 26,100,000 fully paid ordinary shares in Canyon, representing an approximate 4.25% interest in Canyon on an undiluted basis.

Sale & Purchase and Royalty Agreements

As previously announced by the Company on 11 February 2019, Altus and Canyon also entered into a Sale & Purchase agreement ("**SPA**") and Royalty Agreement ("**RA**") on 09 February 2019 in respect of Birsok. The SPA transfers a 100% interest in the share capital ("**Aucam Shares**") of the Company's subsidiary Aucam Resources Ltd ("**Aucam**"), which is incorporated in the Republic of the Seychelles, to Canyon. Aucam is the 100% owner of Aucam SA, the holder of Birsok.

The SPA and RA remain subject to certain conditions precedent, including the transfer of the Aucam Shares, the re-organisation of Aucam as well as obtaining any regulatory or other approvals as may be required. Under the terms of the SPA, Canyon will issue 5 million ordinary shares to Altus (subject to a 12-month voluntary escrow), upon the execution of a mining convention on the Minim Martap Project. Altus will also receive a US\$1.50 per tonne 'life of mine' royalty on sales of ore mined from Birsok as governed by the RA.

While Canyon is not a related party to Altus under the AIM rules, the Chairman of the Company is also a Non-Executive Director of Canyon and as such, has recused himself from the decision-making process in respect of the JVTA, SPA and RA.
